

ID	Description	Attachments
BUG-001	Task appears marked as done without strike-through formatting	
BUG-002	List name shows default time and cannot be renamed easily	
BUG-003	Third list is created after creating two lists for the same day	
BUG-004	UI layout is broken on screen sizes with overlapping elements	

Environment	Steps
Chrome 115, Windows 10, To-Do App v1.0	<p>Navigate to the task list page.</p> <p>Mark the task as done(e.g Buy milk) by clicking the checkbox.</p> <p>Create New List.</p>
Firefox 118, Windows 11, To-Do App v1.0	<p>Default name is creation date & time.</p> <p>Try renaming it after creation.</p>
Chrome 115, Android 12	<p>Create two lists.</p> <p>Try to add 3rd list after 2nd list is created.</p>
Chrome 115, Firefox 118, Mobile View (iPhone SE, 375px width)	<p>Open the app in mobile view or small device.</p> <p>Try navigate between lists or add tasks.</p>

Expected result

Actual result

Task appears with strike-through and marked done

Task appears marked done
but without strike-through

List name is updated

List name remains with date & time of creation

Message suggest premium subscription

3rd list is created

Layout adjusts and remains functional

Layout didn't adjust properly on screen sizes
elements are overlapped with difficult navigation
